BUYER QUALIFICATION PREPARATION GUIDE

Preparing for Participation in the TGL Trade Program

Version 1.0

Welcome

Thank you for your interest in the TGL Trade Program.

The Buyer Qualification process has been designed to help us understand your organisation, purchasing objectives and commercial requirements before introducing suitable suppliers. Our objective is to establish trusted, long-term commercial relationships built upon professionalism, integrity and responsible international trade.

Why We Have a Qualification Process

"The strength of the TGL Trade Program is built upon the quality of its participants."

Every Buyer Qualification Application is carefully reviewed to:

- Understand your commercial requirements.
- Verify key organisational information.
- Establish commercial compatibility.
- Maintain the professional standards of the TGL Trade Program.
- Support trusted, long-term trading relationships.

Before You Begin

Estimated completion time: Approximately 20–30 minutes.

Gathering the information below before commencing the Buyer Qualification Application will make the qualification process faster and easier.

What Happens Next?

Once your application has been submitted, the TGL team will review your organisation and purchasing requirements. Where appropriate, we will arrange an online meeting to discuss your objectives, answer your questions and determine whether participation in the TGL Trade Program is appropriate before introducing suitable suppliers.

Our Commitment

Our approach extends beyond simply connecting buyers and sellers.

Our objective is to build trusted, long-term commercial relationships between qualified participants through professional processes, transparent communication and responsible international trade.
